

Castlewood City Council
October 19, 2015

The Castlewood City Council met in special session on the above date at 7:00 p.m. with the following members present: Mayor Paul Friske, Brian Ries, LeeAnne Dufek, Jeff Shepherd, Lucas Mack, Shawn Mullaney and Greg Dobbs. Also present: Joe Schroeder, Terry Aker and Sheila Gerhold.

The meeting was called to order by the mayor.

Terry Aker and Joe Schroeder, city engineers, representing SPN & Associates, were present to discuss the additional drainage for the Oak Avenue project. The landowner, Richard Grys, is willing to give the city an easement for this additional drainage at a cost of \$2500. The drainage ditch would use approximately ½ of an acre of farm ground. Cost estimates were presented and the contractor that did the drainage ditch for Oak Avenue could possibly do the rest of it which would result in significantly lower prices. There was discussion on cleaning the ditch on the county road all the way out to the river. Discussion followed on only doing the drainage ditch to the county road. A motion by Mack and seconded by Mullaney to allow the mayor to enter into an easement with Richard Grys for a drainage ditch at a cost of \$2500.00. All members present in favor and motion passed.

A motion by Dufek and seconded by Dobbs to adjourn. The meeting adjourned at 7:15 p.m.
